

LEVERTON & SONS LTD

Independent Family Funeral Directors since 1789

We conduct baby funerals for a local hospital which are arranged and paid for by the Hospital Trust.

These funerals (both cremation and burial) involve a simple white coffin and a religious or non-religious service.

For burials the family can choose to use the cemetery chapel or the entire ceremony can take place at the grave side.

Sometimes when a baby dies before full gestation parents are unable to attend the

funeral. We ensure the funeral is carried out with dignity and respect.

If you are having a private funeral, we can provide you with an estimate in respect of your specific wishes. We will keep the charges as low as possible for the funeral of a child or baby.

We can offer a small selection of coffins and caskets for babies and children. Please talk to us about your preference of coffin as there are a range of designs and prices.
